- Agenda -

Date de mise en ligne : dimanche 25 février 2018

Date de parution : 4 mai 2018

ESDP - European Scientific Diving Panel

The 20th ESDP meeting will be held in Stockholm on Friday 4th May.

Several important points will be on the agenda. Among the points to be addressed :

- ▶ News of national committees (news, changes, progress).
- ▶ The formalization of diving conditions for visitors in the member countries of the ESDP
- ▶ The progress of the "publication" of the comparison of medical examinations necessary for the practice of scientific diving in Europe (and elsewhere).
- ▶ The master piece : the ESDP and MARS ; review of an adapted ToR.
- ▶ *The use of rebreathers* Postponed

Location

University of Stockholm, Baltic Sea Center, Svante Arrhenius väg 20 A / 5th floor.

The door will be locked at the 5th floor, so you have to call Maria +46702907134 to get in.
