ESDP - European Scientific Diving Panel

The meeting will be held at the Endoume's Marine Station (Marseille) on 2017, April 11th, 10 ;00 - 17:30.

This is the last meeting under the auspices of EMB. We will have to decide a strategy to keep the panel "visible" at a European scale. A good deal of time will be spent in discussing of the future. Consultation documents will be updated as well as the ToR.
